Grants Management

Seeking funds to support your program goals is a combination of research, planning, outreach, cultivation, technical writing and accountability.

We research and evaluate potential funding sources to create a plan that complements the strengths and potential of your agency.

We track submission deadlines, create grant calendars and work with staff to develop concise letters of intent and vibrant proposals that convey your mission and vision.

Call us today.

If you simply want to add a little color, or a new perspective to an existing grant proposal before completing the re-application process, we will edit your work.

If you don't like to write, can't find the time, or don't have the staff resources to meet looming deadlines, call today to discuss your grant project needs.

Clients range from small to multi-million dollar organizations. Competitive rates.
